 PARANORMAL EVENT

NOTES FOR CONTRACTOR

- Maintain a translucent look with a soft cyan glow.
- Keep silhouette readable on both dark and light backgrounds.
- Use smooth, flowing motion for all animations.
- Particles should be subtle and not distracting.
- The ghost should feel eerie but not overly scary.
- Do not change the core appearance or color palette.
- Ensure visibility and contrast in all environments.

Visual Guide for the Three Haunted Locations in the Game

01
ABANDONED HOUSE

A decrepit old house, long forgotten and overwhelmed by decay. Broken furniture, peeling walls, and flickering lights create an oppressive atmosphere.

KEY FEATURES

- Broken furniture and objects
- Peeling wallpaper and cracked walls
- Dim lighting with flickering bulbs
- Dust, cobwebs and debris
- Narrow corridors and creaky floors

02
HAUNTED MANOR

A grand but cursed manor filled with dark elegance. Ornate architecture, heavy drapes, and antique décor hide a sinister presence.

KEY FEATURES

- Grand architecture and large rooms
- Antique furniture and décor
- Chandeliers and candles
- Heavy curtains and tapestries
- Portraits and mysterious artifacts

03
OLD MUSEUM

A silent museum frozen in time. Ancient artifacts and towering halls hide dark secrets and unexplainable occurrences.

KEY FEATURES

- Tall halls and marble columns
- Ancient artifacts and exhibits
- Glass display cases
- Statues and dinosaur fossils
- Cool lighting and echoing spaces
